

FINISHES GUIDE 2026

Bubliing

Colours & finishes

Bubliing is our premium, design-led range – Class A acoustics, a high-end finish and one of the best-equipped accessible ranges on the market.

THE RANGE

Bubliing at a glance

Every finish in this guide is available in our 3D configurator, so you can try colours and fabrics on each pod before you order.

NEXT STEPS

Ready to specify your Bubliing pod?

01

Design it in 3D

Choose your pod and try every colour and fabric in our configurator at silentcollective.co.uk/configurator.

02

See the real thing

Colours on screen and in print are a guide. Visit our Clerkenwell showroom or ask us for physical samples.

03

Get a quote

Send us your specification, quantity and delivery address and we will reply within one working day.
