

FINISHES GUIDE 2026

# Maxi Phone

## Colours & finishes

The Maxi Phone is our most cost-effective phone booth – stocked in three exterior colours and often installed in under a week.

THE RANGE

# Maxi Phone at a glance

Every finish in this guide is available in our 3D configurator, so you can try colours and fabrics on each pod before you order.

NEXT STEPS

# Ready to specify your Maxi Phone pod?

01

### Design it in 3D

Choose your pod and try every colour and fabric in our configurator at silentcollective.co.uk/configurator.

02

### See the real thing

Colours on screen and in print are a guide. Visit our Clerkenwell showroom or ask us for physical samples.

03

### Get a quote

Send us your specification, quantity and delivery address and we will reply within one working day.

Specs, brochures and finishes for every pod

Finishes, codes and availability are correct at the time of publishing (October 2026) and may change. Printed and on-screen colours are a guide only – please confirm with physical samples before ordering. Upcharge and special request finishes may affect price and lead time.
