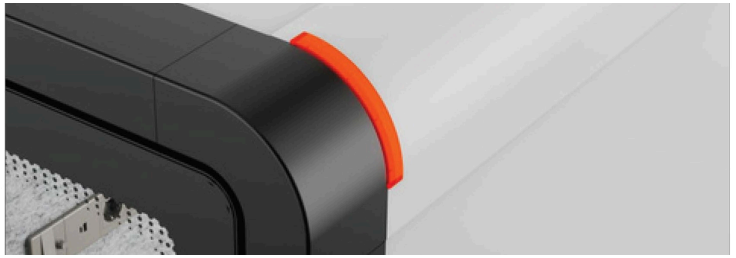
FEATURES

Small pod, smart details.

Every Maxi Phone comes fully equipped, including a height-adjustable desk as standard. A stool is available as an option.

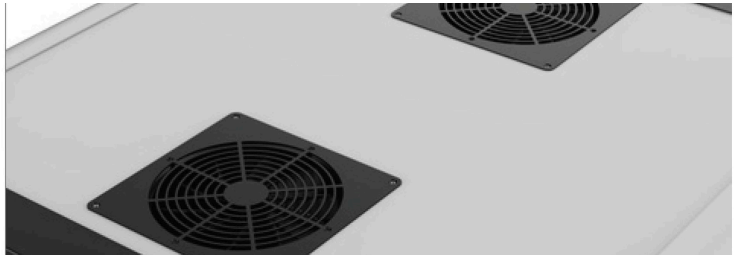
Height-adjustable desk, as standard

Pre-set sitting and standing heights, with sockets, USB-A and USB-C charging and light and fan controls.



Occupancy indicator

Lights up when the pod is in use, so colleagues know not to knock.



Air exchange system

Twin turbofans keep fresh air circulating, with dimmable ventilation.

PIR sensor

Lights and fan switch on automatically when someone steps inside.

Integrated light

A ceiling light that turns on as soon as the door opens.

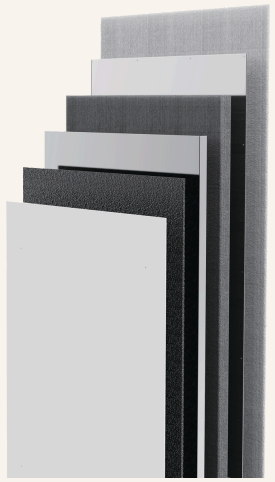
Wheels and adjustable feet

Easy to move, and levels on any floor surface.

CONSTRUCTION

Built to keep sound in.

A layered wall and double-glazed front work together to keep your conversation private and the office noise out.



WALL

01 Soundproof board
Inner acoustic layer

02 High-quality aluminium
Rigid structural skin

03 Sound-absorbent cotton
Soaks up voices and echo

04 Carbon plate
Adds density to block sound

05 Flame-retardant PVC film
Durable exterior finish

GLAZING

01 10 mm double glazing
Two panes of 5 mm tempered glass

02 Neutral silicone sealant
Airtight seal around each pane

03 Aluminium profile
Holds the glass securely in place

FIRE SAFETY

WHERE IT WORKS

Calls without the hunt for a meeting room.

Open-plan floors, receptions and busy team areas. Add one, or line up several for a quick, affordable fit-out.

COLOURS AND FINISHES

Simple finishes, ready to ship.

Choose a white, grey or black exterior. Every Maxi Phone comes with a black frame, light grey acoustic felt and a white height-adjustable desk, which is how we keep it quick to ship.
